

Welcome to the Virginia Yacht Club website. We are an active cruising club. Each year we have 8 events. We open and close the season at our home port, Regatta Point. The holiday season is celebrated at a Gala in December and the cold winter months are mitigated by an Asphalt Cruise to a warm clime, this year it is Key West. During June-September we travel to 4 locations on the Bay. More information about the dates and locations is listed in drop down tab 'Cruise Schedule.'

We are always looking for compatible members. Requirements are simple, you must own a boat large enough to sleep on and be willing to develop new friendships. We are an all-volunteer organization so there are many opportunities to become involved. If you would like to explore this opportunity, please contact me at jrnordlund@me.com
